Road to Evidence-Based Programming

Attain-Engrain-Sustain: Suggested Timeline

**Step 1:**
- Prioritize outcomes.
- Conduct readiness assessments.

**Step 2:**
- Garner the support of critical stakeholders.
- Research and identify a “good fit.”

**Step 3:**
- Decide on necessary program adaptations.
- Seek information, TA and program consultation.

**Step 4:**
- Provide staff training and coaching.
- Begin initial implementation.

**Step 5:**
- Conduct ongoing evaluation and fidelity assessment.
- Create feedback loops and learning opportunities.
